

High Point Award Divisions and Rules
NWC Headless Horseman Show
Fall 2018

- The rider must show both days of the horse show within their division to be eligible for the high point award.
- The all day entry fee is per division. You will pay two all day fees to show in two divisions or the ten dollar fee per class to show in a class outside your division.
- The rider is the one running for high point not the horse, so it is legal for one rider to show more than one horse within a division. The all day fee will apply to the rider not the horse.
- All classes in each division will count towards the high point for that division, however you are not required to show in every class within a division to be eligible for the high point award.
- Walk/Trot 18 & Under and Open Walk Trot division horses are not allowed to show in another riding division, they must only show walk/trot riding classes. This division is open to the novice horse/rider.
- NWC students are not allowed to show in the 18 & under division
- All ties for the High Point Awards will be broken using the placing from the Showmanship at Halter class for that division.
- You must be a current NWC student to show in the NWC freshman and sophomore division.
- Only horses enrolled in NWC classes can be used for the freshman and sophomore divisions.
- Youth must stay in their own division
- **NO** tying horses in the saddling alley
- Exhibitors are not allowed in the arena while setting up for classes
